

# OIKOS MARINE & SOUTH SIDE DEVELOPMENT

PRELIMINARY ENVIRONMENTAL INFORMATION REPORT  
VOLUME 2

Contents Page: Appendices

PINS Reference TR030004  
April 2021

Prepared by: Adams Hendry Consulting Limited

---

# Contents Page Volume 2 Appendices

---

Terrestrial Ecology Appendix 7.1: Preliminary Ecological Appraisal Report  
Terrestrial Ecology Appendix 7.2: Protected Species Report - Preliminary

The Water Environment Appendix 8.1: Preliminary Water Framework Assessment

Marine Ecology Appendix 9.1: Faunal Laboratory Results  
Marine Ecology Appendix 9.2: PSA and TOC Laboratory Results

Commercial and Recreational Navigation Appendix 10.1: Preliminary Navigational Risk Assessment

Traffic and Transport Appendix 11.1: Preliminary Transport Assessment

Air Quality Appendix 12.1: Summary of EPUK & IAQM Planning for Air Quality Guidance Document;  
Air Quality Appendix 12.2: Professional Experience  
Air Quality Appendix 12.3: Description of Receptor Locations  
Air Quality Appendix 12.4: Construction Dust Assessment Procedure  
Air Quality Appendix 12.5: Modelling Methodology  
Air Quality Appendix 12.6: Baseline Dispersion Model Results  
Air Quality Appendix 12.7: Impact Assessment Model Results  
Air Quality Appendix 12.8: Construction Mitigation

Greenhouse Gases and Climate Change Appendix 13.1: GHG Footprint Technical Methodology  
Greenhouse Gases and Climate Change Appendix 13.2: Modelling GHG Emissions from Shipping

Noise and Vibration Appendix 14.1: Background Noise Information

Landscape and Visual Appendix 17.1: Landscape & Visual Impact Assessment Methodology  
Landscape and Visual Appendix 17.2: Landscape & Visual Impact Assessment Internal Site and Local Level Plans and Photographs  
Landscape and Visual Appendix 17.3: Landscape & Visual Impact Assessment Middle Distance Location Plan and Photographs  
Landscape and Visual Appendix 17.4: Landscape & Visual Impact Assessment Long Distance Location Plan and Photographs

Historic Environment Appendix 19.1: Historic Environment Photographs

Cumulative and In-Combination Effects Appendix 22.1: Projects Scoped Into Cumulative Effects Assessment
